Please email HomeandSchool@SpringValleyAcademy.org with the following information:

1) What country you would like to represent with your vegetarian cooking

2) Your contact information

3) If you want to participate monetarily, because let's face it, you like to eat, but not cook!

4) And, suggestions of people you think would be fabulous at representing a country through their food!

Each volunteer will be paired with others representing the same country to formulate a country team.

The country teams will decorate and sell their food at booths in the SVA gym.

Tickets will be sold for \$1 each at the door.

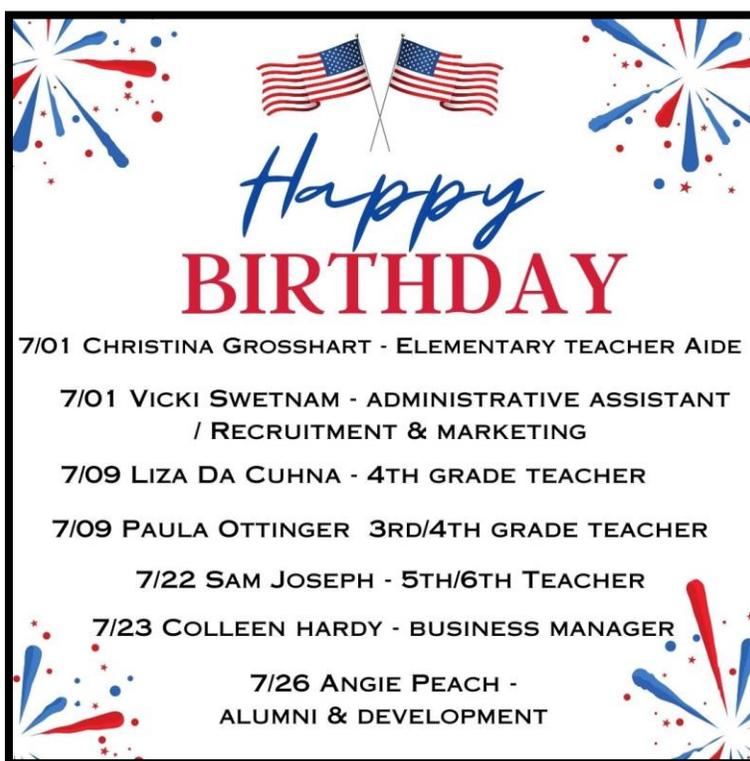

This will be a great event for you to invite your friends, co-workers, neighbors...and let's face it, anyone you come in contact with!

We look forward to seeing God's outreach to our community through your cooking!

Kuddos to those who have volunteered to be part of the above Food Booths!

Don't delay...reach out to us and let us know what country you would like your delicious food to represent!

Don't forget to wish these lovely people a very happy birthday this month!

Feel free to email homeandschool@SpringValleyAcademy.org with any questions, concerns, or suggestions.
