Drinks were so delicious.

The couple who created of our gorgeous sign!

One of these does not look like the others! You never know who is about to photo bomb ya. 😊

When the decorations are just so beautiful you have to wear them home.

(Between the two photos we are only missing one Home & School member! One of these days we'll get them all in one photo!)

The Home & School team cannot thank everyone enough for cooking, decorating, playing/singing music, setting up, tearing down, cleaning up. This was such a fun and delicious event and we thank you from the bottom of our stomachs for being willing to try something new. *The funds raised go toward Home & School's annual expenses. Anything raised beyond our expenses during events goes towards improvements for the school and teacher grants.
